### Tuition

4 lessons a month	Per Diem
30 minutes: \$140	30 minute - \$40
55 minutes: \$250	55 minutes: \$65

Tuition is due before your first lesson of each month. If payment is not received after your first lesson, a 5% late fee will be applied for that month. As a grace period, lessons will continue until the end of the month assuming that tuition will be paid. If payment for the previous month isn't received by the end of the month, lessons will be paused until both months are paid. Zelle, cash, and checks are accepted.

### Cancellations/ rescheduling:

If a lesson is cancelled by the parent, students may reschedule it to one of the available make-up times. However, the make-up must be completed within 4 weeks of the missed lesson. Lessons not rescheduled by then are considered missed, and no refund will be issued.

### Student expectations:

Student expectations are dependent upon individual student needs and goals. Students will be regularly assigned specific tasks to complete for each lesson, and progress and feedback will be available for students individually.

### Parents:

Parents play an important role in student progress. Parents can provide accountability for the student with check-ins between lessons, approval for student efforts, a healthy at home environment for practice, reliable transportation to and from lessons, and more.

### Material covered:

- Piano technique (scales, arpeggios, exercises, etudes, etc.)
- Sight reading (beginner-advanced)
- Playing repertoire (various genres, progressive, depending on students interests)
- Music theory (introduction- pre collegiate studies)
- Other student interests (composing, improvising, jazz etc.)
